

Women's Economic Ventures (WEV) is proud to host:

Small Business Recovery Workshops

We care about the vitality of small businesses in our community!

Come learn about local resources available if your business was directly (physical damage) or indirectly (financial losses) affected by the Thomas fire or mudslides, including free consulting, business courses, emergency loans, and long-term low-interest loans.

Representatives from Women's Economic Ventures (WEV), SBDC (Small Business Development Center), and the SBA (U.S. Small Business Administration) will be presenting.
